Atelier Artist' Pigmented Inks

Atelier Artists' Pigmented Inks are a brilliant professional artists' waterproof acrylic-based ink that comes in a range of 21 highly pigmented colours.

The intensity of these colours is perfect for a variety of artist-quality work either diluted or undiluted, such as transparent washes, layers tints, drawing, calligraphy and vibrant tonal artwork.

Atelier Artists' Pigmented Inks are fluid, lightfast, fast drying and will not fade over time. Use them with brushes, airbrushes, calligraphic pens, or any other element you might think of, open your mind to innovate in your artwork on multi-surface papers, board, canvas or wood.
